POLICY FOR STUDYING OUTSIDE USC

Year 11

To maintain a student visa, International students are required to maintain a full time course of study.

For SACE the requirement of full time study consists of a minimum of 6 subjects per semester.

Any student wishing to study a subject not available at University Senior College at Adelaide University Inc. (USC) should consult the Dean of International Students.

Regarding studying a subject outside of our internal timetabled subjects, USC Policy is that:

- A full time study load is required to be maintained by all International students of USC
- A subject may be studied elsewhere only if study takes place out of regular USC hours (8:00am-5:00pm) and does not interrupt the regular course of study.
- Any expense must be met by the student if it is not part of the regular fee structure of USC
- Transport must be arranged for classes finishing after 7pm.
- If the additional subjects studies are SACE subjects, all record keeping will be done by USC

Year 12

Specific conditions apply to any student choosing to study a subject outside USC and can only do so by consultation and with approval of Head of School.
